Horus Hersey #2: False Gods

Re-release of the mass market edition of the first novel in the best selling Horus Heresy series Under the benevolent leadership of the Immortal Emperor the Imperium of Man has stretched out across the galaxy. On the eve of victory, the Emperor leaves the front lines, entrusting the great crusade to his favorite son, Horus. Promoted to Warmaster, the idealistic Horus tries to carry out the Emperor's grand

design, all the while the seeds of heresy and rebellion have been sowed amongst his brothers.

Exiled, hunted and reviled, the Thousand Sons Legion are adrift - as is their primarch, Magnus. But with his power and personality fracturing, drastic action is needed by the Legion if they are to avoid losing their gene-father forever. After the razing of Prospero, Magnus the Red spirited the Thousand Sons away to the aptly un-named Planet of the Sorcerers, deep within the Eye of Terra. Removed from the concerns of the galaxy at large and regarding the Warmaster's unfolding Heresy with cold detachment, he has dedicated his hollow existence to the preservation of all the knowledge once held in the great libraries of Tizca, should mankind ever seek such enlightenment again. But his sons can see the change in their primarch - he is a broken soul, whose mind and memories are slipping away into the tumult of the warp. Only by returning to the scenes of his greatest triumphs and tragedies can they hope to restore him, and allow the Crimson King to be crowned anew by the

Ruinous Powers.

For years, fans have been clamouring for novels about the Horus Heresy - the bloody civil war that set Space Marine against Space Marine and nearly spelled the end of mankind at the hands of the traitor Horus. 'False Gods' takes the epic story onwards as Horus struggles to keep his armies in line and the seeds of his downfall are sown.

A Siege of Terra novella from New York Times best selling author Graham McNeill. A secret that will have

And yet for all their dread might in arms, there is no escape from the vicious legacies of the past, ones that will pursue them from the ruined daemon-worlds of the Eye of Terror and out into the smouldering wastes of the Imperium Nihilus.

Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity.
