In *Up Jumps The Devil*, its murder, and inheritance of land that is trouble and she is bound and determined to find the person responsible for the murder, with or without the law's help. Another great mystery, with sassy Judge Deborah Knott, who does sleuthing in between doing her job as a judge.

[Up Jumps the Devil \(Deborah Knott Mystery, #4\) by Margaret ...](#)

For an award winning book, *UP JUMPS THE DEVIL* by Margaret Maron is a grave disappointment. Judge Deborah Knott's family relations are explained, but why the murder was committed isn't. It is as if since the series began as a cozy mystery the frame must remain and the author fills in the blanks of family, rural south culture, changing values, and traditions.

Up Jumps the Devil is a book more about the past than the previous three in the series. We get to meet Allen Stencil, who has a history with Deb. And we also get to meet some more of Kezzie Knott's neighbors. The mystery is all about land and how it's inherited when people die. And a couple of people definitely die in this book.
